**An epic adventure in the extraordinarily imagined world of Malaz!**

Esslemont's epic fantasy series begins with the story of the night of the Shadow Moon, when the good people of Malaz are threatened with demon hounds and other, darker things. It was also prophesied that this night would witness the return of Emperor Kellanved, and there are those prepared to do anything to prevent this from happening...

Ian C. Esslemont co-created the world of Malaz with his friend Steven Erikson, and Esslemont's Novels of the Malazan Empire are set in the same world as Erikson's Malazan Book of the Fallen.

## **Other Tor books by Ian C. Esslemont**
